General Information

HOW TO USE THIS CATALOG: Information on each course includes prerequisites, course descriptions, certifications awarded, student population, convening dates and times at each activity. Additionally, the Catalog of Navy Training Courses (CANTRAC) can be accessed via internet at <http://www2.cnet.navy.mil>. Changes may be announced by Unit naval message.

TO REQUEST QUOTAS: Reserve quotas from the respective activity by letter, message, phone, FAX, on-line, or e-mail as appropriate. Forward the following information: Course desired, course date, branch of service, rate/rank, full name, unit/command, mailing address, phone number, and E-mail address.

1. Officer in Charge

Navy Environmental and Preventive Medicine Unit 5

Naval Station

3235 Albacore Alley

San Diego, CA 92136-5199

Message PLAD: NAVENPVNTMEDU FIVE SAN DIEGO CA

Comm: (619) 556-7070

DSN: 526-7070

DSN: 322-4450

Comm FAX: (360) 315-4456

E-mail: postmaster@ndvecc.navy.mil

TO CANCEL A QUOTA: If students are unable to fill a requested quota, please notify the training activity as soon as possible.

UNIFORM: Appropriate uniform of the day is required for all military personnel. Course description will advise of special clothing needs. Appropriate civilian attire is required for civilians.

Orders: TAD orders are not required for personnel to attend classes. The parent command should retain service, health and pay records. If messing/berthing is desired, parent commands are recommended to issue orders as follows:

NEPMU-5: Orders direct student to report to Officer in Charge at above address.

During working hours, student will report directly to NEPMU-5 in the uniform of the day. After working hours and on weekends, leave a message on the Unit's voicemail, listed above. Report the following working day prior to 0700 to Officer in Charge.

NEPMU-6: Orders direct student to report to Officer in Charge, NEPMU-6, 1215 North Road, Bldg 1535, Pearl Harbor, HI 96860-4477.

NDVECC: Orders direct student to report to Officer in Charge at above address.

During working hours, student will report directly to NDVECC in the uniform of the day. After working hours and on weekends, leave a message on the Center's voicemail, listed above. Report the following working day prior to 0700 to Officer in Charge.

CIN	COURSE TITLE
B-322-1050	Pest Management - Medical Entomology and Pest Management Technology (Reserve)
Reference:	DoDINST 4150.7, DoD 4150.7-P
Prerequisites:	None
Certifications:	None, except for PMTs under special circumstances.
Rates/Ranks:	Reserve personnel on active duty for 14 days training.
Description:	This two-week course is designed to acquaint reserve personnel with the biology and control of medically important arthropods and with the epidemiology of diseases arthropods transmit. This survey course does NOT lead to certification, but satisfies all prerequisites required to attend Operational Entomology Training (B-322-1077). However, upon approval from NDVECC, this course allows Preventive Medicine Technicians whose certifications have elapsed to be initially certified as DOD Pesticide Applicators in Category 8 - Public Health.
Availability:	<u>NDVECC - Bangor</u> <u>NEPMU-5</u> <u>NEPMU-6</u> (At NEPMU-5) 30 Apr - 11 May 01

CIN	COURSE TITLE
B-322-1070	Pest Management - Core: Basic Pest Management Technology
Reference:	DoDINST 4150.7, DoD 4150.7-P
Prerequisites:	Successful completion of the US Navy's "Basic Pest Control Technology" (NTTC 151) or the US Air Force's "Pest Management Specialist" (CDC 56650) correspondence courses.
Certifications:	None, except for PMTs under special circumstances.
Rates/Ranks:	Reservists, Seabees, and personnel of the Federal Aviation Administration, Department of the Interior, National Park Service and Department of Defense.
Description:	This nine-day course provides core material for DoD certification for the Pesticide Applicators series (see B-322-1071 and B322-1072). It is designed for military and civilian personnel engaged in pest control operation at military activities. It covers pesticide laws, regulations, toxicology, safety and use and maintenance of equipment. Work uniforms are recommended for field equipment sessions.
Availability:	<u>NDVECC - Bangor</u> <u>NEPMU-5</u> <u>NEPMU-6</u> 10 - 20 Sep 01

<u>CIN</u>	<u>COURSE TITLE</u>
B-322-1071	Pest Management - Plant Pest and Vegetation Management
Reference:	DoDINST 4150.7, DoD 4150.7-P
Prerequisites:	Successful completion of Core: Basic Pest Management Technology (B-322-1070).
Certifications:	Certified DoD Pesticide Applicator (in the categories listed below), valid for 3 years.
Rates/Ranks:	Reservists, Seabees, and personnel of the Federal Aviation Administration, Department of the Interior, National Park Service and Department of Defense.
Description:	When taken in conjunction with the Core course, this four-day course provides Pesticide Applicator Certification Training in the categories of Ornamental and Turf, Aquatic, and Right-of-Way Pest Control.
Availability:	<u>NDVECC - Bangor</u> <u>NEPMU-5</u> <u>NEPMU-6</u> 20 - 25 Sep 01

<u>CIN</u>	<u>COURSE TITLE</u>
B-322-1072	Pest Management - Arthropod and Vertebrate Pest Management
Reference:	DoDINST 4150.7, DoD 4150.7-P
Prerequisites:	Successful completion of Core: Basic Pest Management Technology (B-322-1070).
Certifications:	Certified DoD Pesticide Applicator (in the categories listed below), valid for 3 years.
Rates/Ranks:	Reservists, Seabees, and personnel of the Federal Aviation Administration, Department of the Interior, National Park Service and Department of Defense.
Description:	When taken in conjunction with the Core course, this seven-day course provides Pesticide Application Certification in the categories of Public Health and Institutional, Structural and Health Related Pest Control.
Availability:	<u>NDVECC - Bangor</u> <u>NEPMU-5</u> <u>NEPMU-6</u> 25 Sep - 03 Oct 01

<u>CIN</u>	<u>COURSE TITLE</u>															
B-322-1074	Pest Management - DOD Pest Management Recertification															
Reference:	DoDINST 4150.7, DoD 4150.7-P, BUMEDINST 6250.12 series															
Prerequisites:	Previous DoD Pesticide Applicator Certification in Public Health Pest Control															
Certifications:	Re-certification as DoD Pesticide Applicator															
Rates/Ranks:	PMTs															
Description:	This four-day course is designed to re-certify PMTs as DoD Pesticide Applicators in Public Health. PMTs must be re-certified every three years. The curriculum includes refresher information and updates on current federal regulations; vector identification, survey and control, including chemical and non-chemical methods; and hands-on pesticide dispersal equipment training. Recertification in Category 8 can also be attained through the Operational Entomology Course (B-322-1077).

<u>CIN</u>	<u>COURSE TITLE</u>																					
B-322-1075	Pest Management - Shipboard Pest Management																					
Reference:	OPNAVINST 6250.4 series, BUMEDINST 6250.15																					
Prerequisites:	None																					
Certifications:	20.0 Continuing Education Credits for Independent Duty Corpsmen Medical Department personnel who successfully complete both the classroom and field training portions of the course will be issued a Shipboard Pest Control Certificate (NAVMED 6250/1), which will qualify them to conduct shipboard pest control operations. Supply and Food Service personnel cannot be certified to apply pesticides, but will receive a certificate of course completion (CEC/BUMED CONTROL NO. 0299-1001).																					
Rates/Ranks:	Senior Enlisted MDRs, and other HMs. Supply and Food Service Officers, Senior MSs, Watch Captains, MAAs and other personnel responsible for food handling and storage are encouraged to attend the one-day classroom sessions.																					
Description:	This one-day classroom and one-half day field course fulfill annual requirements for shipboard pest control certification. Training includes proper survey and control of shipboard pests, application and use of personal protective equipment. Follow-on hands-on shipboard field training with emphasis on correct and safe use of pesticides and related equipment is required before certification can be granted.

<u>CIN</u>	<u>COURSE TITLE</u>
B-322-1077	Pest Management - Operational Entomology Training
Reference:	BUMEDINST 5450.157, OPNAVINST 6250.4 series
Prerequisites:	Personnel who have completed Reserve Course (B-322-1050) or whose mobilization billets are related to preventive medicine.
Certifications:	Re-certification for DoD Pesticide Applicators in the category of Public Health Pest Control
Rates/Ranks:	PMTs, Entomologists, Epidemiologists, Environmental Health Officers and reservists.
Description:	This two-week advanced preventive medicine course in applied vector-borne disease control in disaster relief, combat, and other contingency operations. It covers contingency planning and problem solving, vector-borne disease profiles, emergency survey and control procedures, and deployment scenarios. Students should bring appropriate field clothing (Cammies, BDUs, etc.).

CIN	COURSE TITLE																		
B-322-2308	Spirometry: Pulmonary Function Screening in the Occupational Medicine or Outpatient Setting																		
Reference:	OPNAVINST 5100.23 series																		
Prerequisites:	None																		
Certifications:	Contact hours of Continuing Education Credit will be requested for certain professional attendees. A certificate will be given to individuals successfully completing the course and passing the exam.																		
Rates/Ranks:	Medical personnel who implement, supervise, or conduct spirometry testing																		
Description:	This three-day NIOSH-approved course provides training in all areas of spirometry screening. Included are anatomy and physiology relevant to the spirometry procedure, proper technique for obtaining and calculating valid spirometry, and the rationale behind spirometry in the occupational setting. Calibration, instrument specifications and record keeping will also be taught. Course content is presented through lectures, slides and video material. Small group participation is offered throughout the course along with question and answer sessions. The student/instructor ratio is no more than 5:1.

<u>CIN</u>	<u>COURSE TITLE</u>		
NONE	PMT/IDC Workshop		
Reference:	None		
Prerequisites:	None		
Certifications:	None		
Rates/Ranks:	Independent Duty Corpsmen, Preventive Medicine Technicians and General Duty Corpsmen		
Description:	A full day workshop which provides updated information on Preventive Medicine issues to the fleet PMT/IDC community. Topics include Pest Management, Environmental Health, Industrial Hygiene and Epidemiology. Career development and CEHT/REHS certification will also be discussed. The workshop represents an opportunity for discussion of current topics/networking.		
Availability:	<u>NDVECC - Bangor</u>	<u>NEPMU-5 (0730-1530)</u> TBA: As needed when significant program changes occur	<u>NEPMU-6</u>

<u>CIN</u>	<u>COURSE TITLE</u>
NONE	Operational Preventive Medicine Course
Reference:	None
Prerequisites:	None
Certifications:	NSHS, Bethesda is accredited by the ACCME to approve continuing medical education for physicians. NSHS designates this CME activity for 80.0 hours. Category 1 of the Physician's Recognition Award of the American Medical Association.
Rates/Ranks:	Physicians, Nurses, Environmental Health Officers, Independent Duty Corpsmen and Preventive Medicine Technicians (E6 and above)
Description:	This two week course identifies mission critical public health concerns in operational settings with an emphasis on planning and practical management of Preventive Medicine operations from pre-deployment through post-deployment. Expert guest speakers as well as staff specialists present topics including epidemiology, international health care issues, field medical entomology as well as chemical/biological warfare, industrial hygiene concerns during operational deployment, lessons learned from prior armed conflicts, pre-deployment planning and post deployment after action reporting. A two-day field exercise at Camp Pendleton, CA will provide additional field training skills.
